## **New management in Norway**

**Christian Torp has been appointed as President, Prevas AS Norway and Regional Manager Norway, effective November 1<sup>st</sup> 2015. Christian has more than 20 years of experience from the Industrial sector and in his recent position at ISS Facility Management AS he was responsible for Telenor Real Estate Facility Management.**

"Christians' solid industrial background with experience from sales, production, energy- and asset management is ideal for achieving our goal of becoming a leading engineering company also in Norway, with focus on product development, Industrial IT and automation," says K-G Ramström, CEO at Prevas. "Christian's main task will be to grow the business by taking advantage of the opportunities with digitization and automation to help our customers become more productive and competitive.

Prevas AS Norway, a subsidiary to Prevas AB, currently employs 35 people; a dedicated group of innovative and professional engineers creating solutions for prime customers like Tess, Oslo kommune, Orkla, Cermaq, Hafslund, Kystverket and Simpro.

Rapid digitalization, along with industry's constant push for increased productivity and new smart products, is continuously creating new business opportunities regardless of the state of the market. New companies and new opportunities are being created. Prevas has built up an extensive bank of expertise and has great experience in areas such as the Internet of Things and Industry 4.0, where our offer includes everything from smart service, analysis of cloud data, connected sensors to development of new business models and internal processes.

We are very pleased to welcome Christian to Prevas and we look forward to a productive future with our customers in Norway.
