Prevas GCM support will be closed between Wednesday 27th to Friday 30th December. You can always send a support case by email to support.gcm@prevas.se and you will receive answers when there are staff in place after the New Year's weekend.

Prevas GCM is further developed in 2018

Prevas will continue to work on the development of Prevas GCM and help our existing and new customers to simplify the work of registration and sending trade item information to receivers at the Swedish and Danish markets.

We will continue to help our customers to send trade item information to Danish receivers via Prevas GCM and Validoo Item. In addition, we plan to develop cooperation with GS1 Sweden to simplify work with, for example, new GS1 releases.

We also have plans for a customer meeting for Prevas GCM customers that we have had in recent years in Stockholm.

Prevas GCM team wish to thank all our customers for a good and rewarding collaboration during the year and we are wishing you a Merry Christmas and a Happy New Year.
